SHORT-TERM EXCHANGES OF GROUPS OF PUPILS

From the 7th to 11th of November the Assisi International School of Fondazione Patrizio Paoletti hosted in Assisi (Italy) pupils from Cyprus and Poland and their teachers under "We are ALL different, yet we are ALL the same" event. It was an opportunity to transfer to pupils to respect and celebrate the differences in all people, learning together about the concept of diversity, cultural awareness, acceptance, tolerance, as well as spark their curiosity about different countries and cultures.

PROJECT PROGRESS

Work is currently underway on the development of the rest of the project results:

- **TRAINING TOOLKIT - PUPIL ADAPTATION** – useful resource for pedagogical staff to implement the models into practice. Partners agreed on the next steps of this result, that will be available soon.
- **CHANGING PERSPECTIVES: AN ONLINE E-LEARNING PLATFORM** - partners are fine-tuning the online course and platform and will begin soon with the translation. Partners are recruiting teachers for the piloting at national level.
- **M-LEARNING COURSE FOR PARENTS** - this result is ready in all partner languages. Partners are recruiting the parents for the external piloting.

4th Transnational Meeting

1st and 2nd of December, the partners met in Rome to discuss the progress of the project. Among other issues, feedback on the short-term exchange between pupils was presented. This was a great opportunity to discuss face-to-face the project progress and agree on the next events and deadlines.

Many thanks to our host, Fondazione Patrizio Paoletti, for making our stay so pleasant. See you next time!
